

the art of giving

Transplant Australia is a national charity representing transplant recipients, donor families, living donors and all those touched by organ and tissue donation and transplantation. A primary focus of the organisation is to raise awareness of the need to **increase organ donor rates in Australia**.

Transplant Australia is responsible for staging the **Australian Transplant Games** as well as looking after the interests of all its members through advocacy, raising awareness and support.

Transplant Australia is inviting submissions to their **art exhibition and online auction**. Funds raised will support the work of **Transplant Australia** and enable more children with organ transplants to attend future **Australian Transplant Games**.

All works submitted must be available for auction and prior to the auction works will firstly be exhibited at the Art Space Collective (80A Scarborough Beach Rd, Scarborough WA). **An Exhibition Opening will be held at 3pm Sunday 26th August** and the exhibition will be open to the public from 26 - 31st Aug between 10am and 2pm daily. Thereafter, the exhibition will be displayed at the **Australian Transplant Games** on the Gold Coast (30 Sept - 6 Oct 2018). The online auction will take place after the Games and at the completion of the auction any unsold works will be available for purchase by private negotiation.
