

COVID-19 Vaccination in Patients with CKD (C-VAK) STUDY: Online Workshop

Workshop details

Time: TBA

Date: TBA

Location: Online zoom video conference. Link to be provided

Contact: Ryan Gately
ryan.gately@health.qld.gov.au

Objectives

This one-hour workshop will bring together about 24 participants including kidney and kidney-pancreas transplant recipients, caregivers and health professionals to discuss current treatment options for BK infection and the implications for transplant recipients.

All participants involved in this project will be named as investigators. The workshop program and discussion questions are provided on the following page.

Runsheets

10 minutes	Welcome and introduction
------------	--------------------------

	Presentation by lead nephrologist
45 minutes	<p>Breakout discussion</p> <p>1) Opinions:</p> <ul style="list-style-type: none"> - Do you consider Coronavirus a major issue in Australia right now?/ Do you think that the pandemic has affected Australia? - Does anyone know anyone who has had COVID? - Who here has had their vaccine? <p>2) Information regarding the vaccination program:</p> <ul style="list-style-type: none"> - Do you think you have been given/were given enough information regarding the COVID-19 vaccination program? - Did you attend any online information sessions regarding vaccination in patients with CKD? - Do you think the vaccine should be mandatory? - What is your opinion about famous online anti-vaxxers who recommend against getting the vaccine? <p>3) Effect on you and your kidney function:</p> <ul style="list-style-type: none"> - Are you worried about the effect the vaccine may have on your kidney function? - Are you worried about the unknown long-term effects of the vaccine? - Do you think you are at higher risk of getting COVID? Do you think you would get a more severe version of the disease if you did get it? - Do you think that you are higher risk of having a bad reaction to the vaccine?
5 minutes	<p>Summary and close</p> <p>Inform participants of the survey at the end of workshop</p>
