

# Picnic with the legends ...

Transplant Australia Victoria warmly invites you to a picnic and member meeting.

This is a welcome opportunity to meet and catch up with fellow Victorian Members.

The day will start with a picnic in the grounds of the Living Legends, followed by a discussion with the acting committee on proposed events for 2025. We will elect a temporary committee to take us to the end of the financial year, whereupon a new committee will be elected for a two-year period.

Following the organised part of the day, we can take a tour of past champions (fee applies).

Join us for the picnic behind the Homestead. Follow the verandah around the back and look for the Transplant Australia banner.

Please BYO chairs or rug.
